Most Useful Accessories

EyeTablet

This 10" lcd control console will provide you a perfect control of your LCD Chart Panel; no more need to look directly to the chart panel.

Light Kit

The Light Kit for Driving License test consists of two arms (right and left) on which are housed the lamps to create dazzle during testing. This is an optimized kit for the "Driving Licence Test" software supplied by us.

BlueKit

Wireless Connection Kit to Phoropters
